

CARDINAL BAND PLAYS BIG PART IN GRANT CENTENNIAL

Members of Kentucky Cardinal Band Entertain Pt. Pleasant — Meet President and Party and Are Complimented.

The Maysville Kentucky Cardinal Band played a great part in the Grant Centennial celebration at Pt. Pleasant Thursday.

The band with a large number of Maysville and Mason county people went to the village Thursday morning on excursion steamer Homer Smith. This was the first band in the village and the only band until the arrival of the President's flotilla from Cincinnati in the afternoon. During the day the band furnished the only music except the wireless picked up by the Bell Telephone Company's great receiving station and as thousands lined the bank at the little village to await the President's arrival, they serenaded the great throngs.

At about noon the manager of the Radio Broadcasting station sent to the band's headquarters and asked that they play a number of broadcasting. The local band played "The Star Spangled Banner" and "The Shrine of Liberty," their music being broadcasted by the same outfit used to carry the president's address.

When the President's steamer landed our band was at the water's edge clad in their white trousers and cardinal coats and greeted him with "Hail to the Chief." Both Mr. and Mrs. Harding cheered them very enthusiastically. By arrangement with Congressman Chas. Kearns, of the adjoining district in Ohio, Colonel Russell was taken aboard the President's boat and met the entire party. The whole Cardinal Band was then taken aboard and personally met the President and Mrs. Harding and the other notables aboard including many Senators and Congressmen and their wives. One of the best compliments ever paid the band was paid by Mrs. Nicholas Longworth, formerly Miss Alice Roosevelt, who said, "I don't see how these children can make such splendid music." President Harding said: "You have reason to be proud of them."

The Cardinal Band marched from the landing to the speakers' stand behind the presidential party and followed by several companies of soldiers. The local band was the only musical organization in the march from the presidential steamer, although there were several other musical organizations in the village.

After the arrival of the party at the speaker's stand and the announcement of the accident on the Island Queen in which members of the Manchester School Band were injured, the local band removed their cardinal uniforms donning their blue suits, and made no more music during the day.

REASONS GIVEN FOR MAKING A CLEAN-UP

Seven Reasons Given by the Local Health Department for a Thorough Clean-up During Special Week.

The Mason County Health Department gives these seven reasons why Clean-up Week should be celebrated:

- Because our self-respect demands it.
- Because filth is identified with ill-health and disease.
- Because clean surroundings make for a low death rate.
- Because dirt menaces our welfare in every way and our safety depends upon sanitation.
- Because since sickness means waste, cleanliness is essential to our prosperity.
- Because cleanliness appeals to our aesthetic feelings as well as our health sense.
- Because clean homes and clean towns indicate a high type of citizenship.

GARRISON MAN NEAR DEATH WAS RUN OVER BY CABOOSE.

Omer Valandingham, of Covington, formerly of Garrison, suffered a mishap in the Russell yards Sunday that will cost him his life. He was uncoupling a caboose from the train when he fell across the track and the caboose ran over him, crushing him terribly. He was taken to the hospital at Ironton where at last reports he was barely alive. —Vanceburg Sun.

WED IN COVINGTON.

George Purdon, son of Mr. and Mrs. James Purdon, of this city, and clerk at the Peoples' Drug Store, was married at Covington on Thursday to Miss Mary Henry Heck, of Ripley. The youngsters left on the Homer Smith for the trip to Point Pleasant and slipped on to Covington where they were quietly wed.

PRESIDENT HONORS GENERAL GRANT IN TOWN OF HIS BIRTH

Harding Pays Tribute to Small Town Life in Address Celebrating Centennial of General Grant's Birth.

Standing in the shadow of the spot at the village of Point Pleasant, Ohio, where Gen. Ulysses S. Grant was born 100 years ago Thursday President Warren G. Harding brought forth great applause from 15,000 persons when he expressed his belief that the great Union leader would have approved "all the republic has so recently done in joining other nations in lifting the burdens of armament and promoting understandings which make war less likely."

The great audience which had journeyed there to celebrate the centennial of General Grant's birth, cheered also when Mr. Harding declared the "sacrifice and nation-wide service in the World War revealed the common American soul."

Mr. Harding spoke from a stand immediately adjoining the spot on which stood the cottage where General Grant was born. Mrs. Harding, Mrs. Fred Grant and many others prominent in the official life of the nation and Ohio were on the platform. A group of Grand Army veterans followed closely every word of praise bestowed on their leader by the President.

In the absence of Gov. Harry L. Davis, who was detained at home by illness, Judge Hugh Nichols, chairman of the Centennial Committee, introduced the President.

Before beginning his prepared address Mr. Harding expressed his pleasure at coming to a village like Point Pleasant for an occasion like that of Thursday.

"I would rather have come to a spot like this," he said, "than to any other in the republic that I could choose. Not but what I have great reverence for the genius and the determination and the capacity which belongs to great cities, but if my observations in life count for anything I want to say to you that the one everlasting anchorage of this republic is in the communities like this in which we are gathered. In the simple life of the hamlet and the village there is the typical sturdy life of our America, and I rejoice to come among you and participate in this celebration."

Cheers and handclapping came from his hearers when Mr. Harding said of General Grant that "he only wanted to sustain Lincoln, whom God inspired to bestow freedom," and again when he declared "he fought for a preserved Union and restored Nation, and succeeding generations are richer because of his example."

He praised the Union leader as a great hero and military commander, of the unconditional surrender Grant of the army, who, immediately on the surrender of General Lee at Appomattox, became "Grant the magnanimous."

The trip of the President and his party to Point Pleasant on the Government tug "Cayuga" was made through a continuous ovation from tens of thousands of persons who lined the Ohio River on both the Kentucky and Ohio banks.

BAND MANY TIMES PICTURED.

The Kentucky Cardinal Band was pictured no less than twenty times at Pt. Pleasant Thursday by news photographers and movie men. There were twenty-five or thirty news photographers in the village snapping important scenes.

SUNDAY TO BE CELEBRATED AS "NEIGHBOR'S DAY"

Large Attendance at Local Sunday Schools Expected on Next Sunday — May Seventh is Big Day.

Sunday, the last Sunday before the big Sunday school day, May 7th, is known in Kentucky Sunday schools as "Neighbors' day. Everyone should see that their neighbors go to Sunday school Sunday.

Window cards and tags have been sent to every superintendent in the county. They should get them into every home and on every automobile. And every man, woman, boy and girl down to the littlest tot should wear a tag next week. Let every Sunday school enthusiast be a daily advertiser of the great work. Committees from Maysville's schools will visit the homes of the city with window cards. Let every home advertise this good and great work for one week anyway. It will bring results that will tell.

WHY WOMEN GET DESPONDENT.

Are not women naturally as light-hearted, brave and hopeful as men? Yes, certainly; but a woman's organism is essentially different from a man's—more delicate, more sensitive and more exacting. Women in delicate health are more dependent, more nervous, more irritable and more despondent. When a woman develops nervousness, sleeplessness, headaches, dragging down pains and melancholia she should lose no time in giving Lydia E. Pinkham's Vegetable Compound a fair trial, as it will quickly dispel such troubles. This root and herb medicine contains no drugs and has been the standby of American womanhood for nearly fifty years.

PASTIME OPENS SATURDAY.

Pastime Theater opens Saturday with an elegant program of western drama and two comedies.

Next Monday the first picture of Wild Gunning. These pictures are being shown in all large theaters and are all guaranteed attractions. The first one shown here is "Blond Vampire," Monday, May 1st.

Mrs. Jas. B. Key and Mrs. J. R. Reeves left Friday morning for Cleveland, where they will visit Mrs. Key's daughter, Mrs. Elizabeth Bates.

It is expected that there will be a large crowd on the trip. This is the East St. Louis' first excursion out of this port this season.

ONE MUSICIAN MAY DIE FROM INJURIES ON BOAT

Manchester Band's Oboe Player May Die of Broken Back Sustained When Island Queen's Deck Fell.

Word Friday from Wilbur Lee Morgan, 15, oboe player in the Manchester School Band, who suffered a broken back on the steamer Island Queen Thursday when a deck fell through onto the band, which was enroute from Cincinnati to Pt. Pleasant for the Grant Centennial, is to the effect that the lad is in a very serious condition and is not expected to recover. Reports were circulated Thursday that he had died.

Besides young Morgan, about thirty-five others were slightly injured in the deplorable accident but all others will recover.

A searching investigation has been ordered to determine the causes which led to the collapse of the deck. The inquiry will proceed on the theory that someone tampered with the deck supports before the steamer left Cincinnati. It had been announced that President Harding would make the trip to Pt. Pleasant on the Queen but these plans were changed at the eleventh hour. There was no crowding on the deck which collapsed and a plot against the President is being looked into by officials.

Young Morgan is a cousin of Mrs. Chas. Slack, of this city.

ADAMS COUNTY CORONER INJURED AT PT. PLEASANT.

Squire William Warner, Coroner of Adams county, Ohio, and quite well known in Maysville, was badly injured when run down by an automobile in the crowded streets of Pt. Pleasant Thursday afternoon. The Squire suffered a badly broken leg which is very serious because of the advanced age of the patient.

HUNG JURY IN POLICE COURT.

William Edgar was tried before a jury in Police Court Thursday evening on a charge of having liquor in his possession for sale. The jury hung and was dismissed by the court. The re-trial of the case will be held on next Tuesday. It is understood that the jury was unanimous as to guilt but could not agree on the penalty to be inflicted.

LEVY BREAKS WIDEN AND MUCH FARM LAND IS COVERED

Thousands of Acres Are Inundated by Breaks in Southern Levees—Many Families Are Made Homeless.

New Orleans, April 28. — With two great sections of Louisiana farm lands inundated, levee engineers are concentrating their efforts today on other points on the lower and middle reaches of the river.

The levee near Arkansas City, Ark., and at Plaquemine, La., were the two points where trouble was most feared. Although additional forces of labor were put to work also on the levees south of Hickman, Ky., and north of Greenville, Miss., levee engineers early today said a break at those points was not expected.

Waters escaping from the break in the levee at Poydras, 12 miles below New Orleans, have flooded more than 75,000 acres of sugar and trucking lands, and about 350 families have been driven out of a section between the river and Lake Borgne. The crevasse has widened to more than 400 feet.

COURT OF APPEALS REVERSES BRACKEN CIRCUIT COURT

Court Rules That Omar Myers Was Convicted on Insufficient Evidence.

Last Friday, the Court of Appeals handed down an opinion, written by Judge Thomas, reversing the case of the Commonwealth against Omar Myers, convicted at the November term of Bracken Circuit Court, and sentenced to a term of five years in the penitentiary on a charge of having been implicated in the burning of Wilford Cooper's barn, near Willow Grove Bracken county, on Christmas night, 1920.

Fritz Myers and his sons, Andy and Omar were indicted for arson, and the Commonwealth electing to try Omar first, the trial being held at the November term, a verdict of guilty being returned and the prisoner sentenced to serve five years in prison.

Practically all of the evidence was circumstantial; Captain Mulligan, of Lexington, testifying that his bloodhounds picked up a trail near the barn early on the morning following the burning, which led to the home of Fritz Myers, thence to the home of his son, Andy.

Other witnesses testified to bad feeling between the Myers family and a number of his neighbors, but there was no direct testimony connecting the accused with the burning.

Attorney Hargett, representing the defendants, asked for a stay of execution until the case could be taken to the Court of Appeals, which was granted, the prisoner being committed to the Covington jail where, he has been confined since November.

Judge Thomas, in his opinion, ruled that Myers had been convicted on insufficient evidence.

In the opinion of Attorney Hargett, unless there is additional evidence produced, it is unlikely that any of the accused will be tried again.

Since cantaloupes, summer squash and cucumbers occupy the ground all season, it is best to plant them to one side of the garden where they will not interfere with cultivation or be shaded by other crops.

CENSUS BUREAU MAKES ANNOUNCEMENT OF THE MORTGAGE DEBT OF U. S.

Mortgage Debt on Homes and Farms Occupied By Their Owners in the United States Is Announced.

Washington, D. C. — According to a preliminary report that has just been issued by the Department of Commerce, through the Bureau of the Census, the total estimated mortgage debt on owned homes and farms in continental United States, in 1920 was \$11,001,000,000 and the total estimated value of these mortgaged homes and farms was \$31,708,000,000, the mortgage debt thus representing 34.7 per cent. of the total value. It should be noted that the term "owned homes" is used by the Bureau to designate those homes which are occupied by their owners, and similarly, "owned farms" is applied to farms operated by their owners, rented homes and tenant farms not being included in these totals.

The total mortgage debt on owned homes and farms in the United States in 1890, the only previous census in which this information was obtained, was reported as \$2,133,000,000 and the total value of these mortgaged homes and farms was reported as \$5,687,000,000, the mortgage debt thus representing 37.5 per cent. of the total value. The mortgage debt on owned homes and farms increased 415.8 per cent. between 1890 and 1920, and the value of these mortgaged homes and farms increased 457.6 per cent. As a result, the ratio of debt to value has decreased, being 34.7 per cent. in 1920 as against 37.5 per cent. in 1890.

The total number of homes not on farms in the United States in 1920 was 17,600,000 of which 7,195,000 or 40.9 per cent. were owned by the occu-

pants; and of these owned homes 2,855,000 or 39.7 per cent. were mortgaged. Information regarding the value of the home and the amount of mortgage debt was secured from 1,893,000 or 66.3 per cent. of these mortgaged homes. The total mortgage debt on the mortgaged homes not on farms in 1920 is estimated as \$6,000,000,000 and the total value of such homes as \$14,099,000,000, the ratio of debt to value being 42.6 per cent.

The total mortgage debt on owned homes not on farms in the United States in 1890 was reported as \$1,047,000,000 and the total value of these mortgaged homes was reported as \$2,632,000,000, the mortgage debt thus representing 39.8 per cent. of the total value. The mortgage debt on owned homes increased 473.1 per cent., and the value of such homes 435.6 per cent. between 1890 and 1920. This has resulted in a slight increase in the ratio of debt to value, from 39.8 per cent. in 1890 to 42.6 per cent. in 1920.

on owned farms in the United States in 1920, including the estimated mortgage debt on partly owned farms, was \$5,001,000,000 and the total estimated value of these mortgaged farms was \$17,609,000,000, the ratio of debt to value being 28.4 per cent.

The total estimated mortgage debt on owned farms in 1890 was reported as \$1,086,000,000 and the total value of these farms was reported as \$3,055,000,000, the ratio of debt to value being 35.6 per cent. The mortgage debt on owned farms increased 360.5 per cent., and the value of such farms 476.4 per cent., between 1890 and 1920, the ratio of debt to value decreasing from 35.6 in 1890 to 28.4 in 1920.

TAKING CARE OF THEIR OWN.

In all, 80 per cent. of the communities in the United States to date have notified the President's Conference on Unemployment that winter work is in progress in order to provide local work for jobless citizens.

"If such outdoor work as highway construction and sewer building can be done in winter," said Colonel Arthur Woods, head of the working committee in Washington, "a way can be found to do almost anything during cold weather except plant seed. The acceleration of public work must be counted as a genuine gain, and I think the public will give the credit for it to the President's Conference. It is one of the great influences which will make directly for a recovery of normal economic conditions and the gracious act of mercy to the workless men of the country who are without employment because of no fault of their own."

"Wages paid for public works, moreover, will create a purchasing power for all kinds of commodities, which will, in turn, require the employment of other groups to produce, and so bring good all around."

ENDORSED AT HOME.

Such Proof as This Should Convince Any Maysville Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Maysville adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

D. S. Stout, 22 East Second street, Maysville, says: "Just after my recovery from pneumonia, my kidneys began to give me trouble. My back had a steady dull ache and it hurt me to breathe. My eyes would get puffy underneath. I knew my kidneys were in bad shape and something would have to be done to check the disorder so I got a box of Doan's Kidney Pills and began using them. It didn't take long to rid me of my trouble. I take pleasure in recommending Doan's Kidney Pills."

Price 60c. at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills — the same that Mr. Stout had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GRANT CELEBRATION

TO BE COMPLETED SATURDAY.

As a final completion of the centennial of General Grant's birth there is a great celebration being held in Bethel, Ohio, Friday and the final wind-up of the big affair will be held at Georgetown on Saturday. General Grant lived at Georgetown for a number of years and his parents resided there when he attended school in Maysville.

MAYSVILLE TAKES THURSDAY'S GAME WITH WINCHESTER

Protested Game Played Off Here On Thursday Results in a 3 to 1 Victory for the Local Club.

Despite the cold wintry weather Maysville again comes out victors over the Winchester Dodgers after their protest of the opening game. Perhaps after three straight in the losing column at the hands of the locals by the time they are scheduled to appear again in our city they will have that protesting bee out of their bonnet. Nevertheless it was a fast game of ball with Umpire Goetz master of the situation throughout the hour and thirty-five minutes.

It was another pitcher's battle this time between Shaw and Vallandingham but good fielding behind the youngster enabled him to bring home the bacon in his first attempt on the mound. Vallandingham but for the first inning deserved to win but two three base hits a walk and a wild heave proved too costly. Shaw worked like an old timer allowing six hits and in no inning did the opposition collect more than one besides getting the first man to face him in every frame but two.

After the visitors were retired in the first our boys lost no time in putting the game on ice. Fortner went out to short; Class pulled up at third after a long lick to left which unnerved Val and he walked Connolly. Thoss threw wild to third to cut off Class and he scored the first run. Connolly scored when Slayback hit in center for three sacks, and a wild pitch counted Scottie. Kresser and Dresel struck out when Val seemed to be aggravated because three runs resulted from two hits and an error.

The Dodgers' only run came in the second when Shaw showed his only weakness of hitting Ballard after Class had thrown out Baskett at first. A wild pitch put him on second and he arrived at third when Shaw threw out J. McCourt. Ballard crossed an another wild pitch while Shea struck out for the third out. One run on no hits and no errors is something very unusual.

Paris, Ky., April 27. — Notwithstanding the weather was cold and damp, it having rained until 12 o'clock, about 900 fans witnessed the opening of the season in Paris for the Bluegrass League, when Paris Mammoth met the Mt. Sterling team and took them into camp by the score of 6 to 3.

Mayor January of Paris pitched the first ball. The Paris boys redeemed themselves from the defeat handed them Sunday by the Studebakers of Lexington, and demonstrated that they will be going strong at the finish of the season. The features of the game were the hitting and fielding of Brockman and the catching of Brocke for Paris. Score:

MAYSVILLE TO GIVE \$600 TO MEMORIAL FUND AT UNIVERSITY

Effort will Be Made to Contribute at Least One Dollar for Each Student in Maysville Schools to War Memorial.

Superintendent W. J. Caplinger issues this statement:

During this week the schools in this state are assisting the Alumni of the University of Kentucky in their "War Memorial Drive." Kentucky's public spirited citizens have made all plans for the erection of a \$300,000 memorial building to be erected on the beautiful campus of the University at Lexington. This Memorial Building with its inscription of the names of those of Kentucky's sons who sacrificed their lives in the late world war and with its historical collection will, no doubt, be a "thing of pride and joy forever" for all true Kentuckians.

Kentucky is sadly deficient in statues, memorial buildings, and other similar evidences of respect to her honored dead whether they be statesmen or war heroes. Kentucky is also sadly deficient in art museums, historical documents and collections. Our students that do research work in Kentucky's early history are compelled to go to sources outside of the state for original material. This should not be.

The schools of Louisville have agreed to raise \$50,000 for this. We want to raise, at least, \$600 here in Maysville. To do this, we are asking today each child in the city to bring \$1.00 Monday. We hope that there will be a number of the men interested in Kentucky's Memorial to her dead — a number of Alumni particularly in the development of a great State University — a number of others who wish to do honor to Mason county's dead — and lastly, a still larger number that take pride in our own county and city in the respect that it has been especially honored when the committee selected as the poem to be inscribed on this building what that written by Mrs. Clarence Wood of this city entitled "In Memoriam" — will call us up, donating sums of from \$1.00 to \$25.00, or if you prefer give the \$1.00 to some little chap and encourage him, helping to develop the true Kentucky spirit.

All sums donated by persons coming through the superintendent's office will be itemized and sent to the committee at Louisville.

We trust that there will be enough of this to make the city's quota average up \$1.00 for each child in school. It is unfair, however, to expect those people who have the burden, as well as the pleasure, of rearing children, should have the privilege of contributing all to a fund of this kind—many others do not have children in school are more able and perhaps more interested in this movement.

Call us up Monday or send it in through the children.

We will report to you later the results of this drive.

Yours respectfully,
W. J. CAPLINGER, Supt.
